## DOUBLE VARIETIES

Double Begonias, Camelia Flowered, besides being most useful throughout many months of the year under glass make invaluable summer bedding plants owing to their sturdy free flowering habit.

### *Colors Include*

White, Blush, Pink, Rose, Salmon, Scarlet, Crimson, Yellow, Orange, Copper, Gold and Apricot.

## DOUBLE AMERICAN BEAUTY

Very large flowers measuring often 6-8 inches in diameter, a perfect form, carried erect on strong stems. The color is a very deep crimson rose.

## DOUBLE FRILLED OR CARNATION TYPE

A very pretty strain, the petals being deeply fringed.

Colors: Salmon, Red, White, Yellow, Orange, Pink, Blush, Rose and Crimson.

## DOUBLE MARMORATA RED AND WHITE VARIEGATED

## DOUBLE ROSEBUD *Pink and Salmon Shades Mixed*

## NARCISSIFLORA OR DAFFODIL FLOWERED

This is a very interesting and unusual type.

*Mixed Colors Only*

## DUPLEX

This is one of the finest of tuberous rooted Begonias and is destined to become very popular. A large flower resembling a single bloom, with a smaller one superimposed on it. Each bloom is very beautiful, and due to the large flowers, it is very showy. We are offering it in a mixture containing a wide variety of colors.

## FASCINATION

*Crispa Marginata*

This very attractive type has beautifully frilled petals with a margin of scarlet and rose on a ground color of yellow or white.

## GIANT FRILLED

An extremely beautiful class of Begonia, the edges of the petals being deeply frilled, give the flowers a unique charm. The colors are: crimson, scarlet, salmon, rose, pink, white, yellow, orange and cream.

## CRESTED OR BEARDED SINGLE BEGONIA

A very interesting kind of Begonia. The crested growth on each of the four petals presenting a curious and rather fantastic appearance, and being often of a different tint to the ground color of the flower produces many beautiful and varied combinations of color.

*Mixed Colors Only*

## GIANT SINGLE BEGONIAS

In separate colors: dark red, scarlet, pink, salmon, orange, rose, white, yellow and copper.

### BEGONIA LLOYDII

*or Basket Type*

This Begonia has attained great popularity as a pot plant, but a still more striking effect is produced in hanging baskets.

In separate colors: dark red, scarlet, pink, baby rose pink, salmon, orange, rose, white, yellow and copper.

*These are Double and Very Beautiful*

### BEGONIA MARTIANA GRANDIFLORA

*or Hollyhock Type*

A very interesting and pretty species, very useful for conservatory decoration and very much adapted for bedding. It is a tuberous kind with single rosy pink flowers growing from three to four feet in height indoors. The flowers are freely produced on long spikes, very similar to a Balsam, the flowers clustering very closely to the stem. It is very easily propagated from bulblets, which are freely produced at nearly every joint.

*Prices on all above Varieties*

25c each or \$2.50 per Dozen Bulbs.

\$15.00 per Hundred.

# TUBEROUS ROOTED BEGONIAS

## NAMED VARIETIES

### *Delivery in February*

#### FLAME

A large Camellia Double. The petals are compact and smooth. It is a brilliant orange-scarlet and has a beautiful sheen or luster. This variety produces an unusual number of blossoms to each bulb.

#### RED TRIUMPH

A ruffled Camellia flowered double of a ruby-red with a velvety texture. The flower has a definite center and is one of the largest of all double Begonias.

#### ROSE DAWN

A perfect Camellia type double. The petals are very long and even, and the flower very symmetrical. It is a rich, clear rose.

#### AUTUMN GLOW

An extremely large Cristata type, the tufts or crests of which are a deep copper, contrasting with the rest of the flower, which is apricot. The flowers sometimes measure ten inches across. The foliage is very attractive, and much more luxuriant than any other Tuberous Rooted Begonia.

#### STARS & STRIPES

A Camellia type double of dark red, striped and speckled with white. The flowers are not large, but this plant is very vigorous and single bulbs often produce over a hundred blooms. One of the finest of the Le Papillon types.

#### SUNSET

A large crispa type. Very heavily and symmetrically frilled. Outer edge dark orange with apricot center.

50c Each or \$5.00 per Dozen

FUCHSIAS—OVER 100 VARIETIES  
BEDDING AND NOVELTY PLANTS  
SEEDLING TUBEROUS BEGONIA PLANTS WILL BE  
READY IN MAY AND JUNE

## TERMS

Our terms are strictly cash with order, or satisfactory references. All our stock is guaranteed true to description, but there is no guarantee for the result of growing over which we have no control.

Crop failure or any cause beyond our control releases us entirely from delivery.

We give no warranty, express or implied, as to description, purity, productiveness, or any other matter of any seeds or bulbs we sell, and we will not be in any way responsible for them.
